

We want your feedback on Metro's Draft Public Participation Plan!

Dear Transportation Partner,

The Federal Transit Administration requires Metro to issue a **Public Participation Plan (Plan)** as part of its Title VI Program Update every three years. This plan guides all of Metro's outreach to gather important public input on possible changes to bus and rail service, new projects in planning and in construction, fares and other programs. **We are seeking your input to help make this plan the best it can be!**

Visit metro.net/communityrelations to:

- View the draft plan in English and other languages
- Learn about meetings where the draft plan will be presented
- View the presentation

Tell us what you think by sending comments to communityrelations@metro.net or Metro Community Relations, One Gateway Plaza, MS 99-13-1, Los Angeles, CA 90012 by **Saturday, March 12, 2016.**

Based on the public feedback, we will revise the draft plan and incorporate it into the 2016 Title VI Program Update. We plan to submit the Final Plan to Metro Board of Directors for their consideration this fall as part of the 2016 Title VI Program Update.

For more information, please contact Bronwen Keiner at keinerb@metro.net or 213.922.4465.

Thank you for your continued partnership!

Best regards,
